Cast on 168 sts:

Row 1: *K3, P3 repeat from * to end

Row 2: same as row 1

Repeat these two rows once more then

Row 1: *P3, K3, repeat from * to end

Row 2: same as row 1

Repeat these two rows once more.

Continue working these two patterns until you have repeated them twice total. (16 rows)

Next row: K3, P3, K3, P3, *K12, P12, repeat from * to last 12 sts then K3, P3, K3, P3

Repeat this row five more times then

Next row: P3, K3, P3, K3, *K12, P12, repeat from * to last 12 sts. Then P3, K3, P3, K3

Repeat this row five more times then repeat the first set of repeats 6 times (18 rows total).

Next pattern: P3, K3, P3, K3, *P12, K12 repeat from * to last 12 sts then P3,K3,P3,K3

Repeat this row five more times

You should see by now how the pattern is developing and should be able to continue with the pattern without more instructions. NOTE: Finish off the blanket with 18 rows of the smaller squares as a border.
